Re: *Rural Digital Opportunity Fund*, WC Docket No. 19-126

Dear Ms. Dortch:

Frontier has made its FCC Form 477 and Rural Digital Opportunity Fund (“RDOF”) filings consistent with FCC requirements.¹ Despite this fact, our filings have triggered a number of questions from third parties. To clarify our position for all concerned, Frontier would welcome the inclusion into the RDOF auction the challenged census blocks where Frontier provides service at speeds of 25/3 Mbps and greater.

Please contact the undersigned with any questions.

Sincerely,

/s/ Ken Mason

Ken Mason
